

## Looking for a job?

*With SimpleXX to your dream job - your path to success!*

# Category Manager – Structures and Interiors (f/m/d) for Aviation

Start as Category Manager – Structures and Interiors (f/m/d) with us into a joint and successful future. As a specialist and personnel supplier for the aerospace industry for decades and in partnership with renowned companies in the aviation industry as well as aviation pioneers, SimpleXX GmbH is looking for a Category Manager (f/m/d) for the Weßling site at the next possible date within the framework of temporary employment with a takeover option. You will contribute to the multi-functional team. Working for our client as an aviation company, you can expect challenging activities in an innovative working environment that is future-proof and offers you excellent career opportunities. Do you have a high level of self-motivation and the corresponding commitment? Does this appeal to you? Then apply for our job offer today. We look forward to receiving your application!

### The following tasks await you:

- Contribute to the Multi-functional team which will shape and lead the supply chain for the Electrical Wiring Interconnection System within the aircraft.
- Support the Procurement Strategy & Policies aligned to the overarching company strategy.
- Sourcing Process - Market Assessment & Identify Potential Suppliers/Supplier Selection & Contracting (e.g., Call for Tender, supplier selection processes, negotiations)
- Close co-operation with the Production, Finances, Quality, Engineering, Program teams during projects
- Orchestrating a global network of aircraft suppliers to initiate best practice exchange and a continuous flow of innovations outside-in
- Secure the plant delivery to safety, time, cost, and quality targets with support of Supply Chain Operations.
- Lead big scale supplier sourcing deployment projects with end-to-end responsibility from start of analysis to ramp up at stable performance.

### Your profile:

- Minimum qualifications/Education: mechanical engineering and/or business administration degree
- Experience in supplier management and in a high-volume supply chain required.
- Structures, Interiors, Landing gear, standard parts or material procurement position in a corporate environment with experience in contracting in the aerospace or automotive sectors.
- “End to End” responsibility of implementing the purchase strategy.
- Eager to learn and adopt his or her style to a start-up environment; puts the team first; robust and passionate to follow given objectives; uses failure as learning experience; excellent communicator; ability to facilitate workshops.
- Demonstrate cross-functional leadership within the company.
- Excellent analysis and evaluation skills with a drive to challenge the status quo.
- A strategic thinker with sound technical skills, analytical ability, and good judgment.
- Proactive, open, and direct communicator who is credibly with the whole organisation.
- High personal influencing and negotiation skills and fluent english language skills
- **Working on-site** (remote work possible) **and submission of English resume required**
