

Looking for a job?

With SimpleXX to your dream job - your path to success!

Head of Health, Safety and Environment (Maternity Cover) (f/m/d) for Aviation

Start as Head of Health, Safety and Environment (f/m/d) with us into a joint and successful future. As a specialist and personnel supplier for the aerospace industry for decades and in partnership with renowned companies in the aviation industry as well as aviation pioneers, SimpleXX GmbH is looking for a Head of Health, Safety and Environment (f/m/d) for the Weßling site at the next possible date within the framework of temporary employment with a takeover option. You will lead and manage a team of HSE professionals, provide guidance and support them in their roles. Working for our client as an aviation company, you can expect challenging activities in an innovative working environment that is future-proof and offers you excellent career opportunities. Do you have a high level of self-motivation and the corresponding commitment? Does this appeal to you? Then apply for our job offer today. We look forward to receiving your application!

The following tasks await you:

- Lead and manage a team of HSE professionals, providing guidance and support in their roles.
- Develop and execute a comprehensive HSE strategy aligned with organizational goals.
- Report to top management on the performance of the HSE management system and any need for improvement.
- Lead the planning, development, implementation, monitoring, and review of HSE objectives, targets, aspects, and programs across the organization.
- Develop and maintain the occupational safety management system.
- Develop, implement, and maintain company HSE frameworks (policies, plans, procedures, manuals, and processes) in line with the regulatory requirements and industry best practices.
- Ensure compliance with the relevant Health and Safety legislation across the organization. Monitor legislative updates and review the HSE program as required to ensure ongoing compliance.
- Lead a program of audit and inspections to measure, and report on compliance across the organization.
- Ensure that an adequate program of training for health and safety is established.
- Lead digitalization and implementation of required HSE Software's.
- Analyze and report the relevant HSE KPI's and develop them further in a future oriented manner.
- Carries out analysis of safety events, identifying trends and suggesting improvement plans.

Your profile:

- University degree or completed apprenticeship.
- **5-10 years of experience in the area of Health, Safety and Environment**, ideally with a background working within the automotive, aerospace or closely related manufacturing and engineering sectors.
- Deep understanding of HSE European (preferably German) rules and regulations.
- Profound experience in a leadership role and in the management of different teams.
- Proficiency in working with MS Office products.
- Fluent English language skills required, fluency in German would be beneficial.
- **Working on-site** (remote work possible) **and submission of English resume required**
