

Looking for a job?

With SimpleXX to the perfect job – Your way to success!

Sheet Metal Worker (m/f/d) for Aviation

Start as a sheet metal worker with us into a successful future. As a preferred supplier of Airbus Helicopters, SimpleXX GmbH is looking for a sheet metal worker for the location Donauwörth. You will be responsible for the processing of metal (e.g. forming and machining), among other things. At Airbus Helicopters, as an aerospace company, you can expect challenging tasks in an innovative working environment that is future-proof and offers you excellent career opportunities. Do you have a high level of self-motivation and the corresponding commitment? Do you feel addressed? Then apply today for our job offer. We look forward to receiving your application!

The tasks are structured as follows:

- Processing metal such as molding and machining
- Working with composite subassemblies
- Integrating components and systems into a metal structure
- Documentation of the work sequence
- Optimizing sequences on complex assemblies
- Assigning material to the job
- Performing various assembly activities (riveting, gluing, screwing) on sheet metal subassemblies (fire bulkheads, firewalls, etc.)
- Sample assembly activity for new components

Personal qualifications:

- A completed professional training as an aircraft mechanic, mechanic or a comparable qualification
- Work experience in manufacturing / production, aircraft construction, (aerospace) mechanics and sheet metal fields
- A very careful, solution-oriented, clean, efficient and responsible way of working
- Good ability to work in a team and a high level of responsibility and flexibility
- Willingness to work 2 and 3 shifts and to work overtime
- Business fluent English and German language skills

Location: Donauwörth (Germany)

Start: As soon as possible or by arrangement

Please send your application documents (CV (in English and German), references, certificates, salary expectations) with the subject **Sheet Metal Skilled Worker (m/f/d) for Aviation** to bewerben@go-simplexx.de
