

Looking for a job?

Catch it with SimpleXX – The simple way!

Infrastructure Engineer (f/m/d) (VMware)

Start today as an Infrastructure Engineer (VMware) for a brighter future. We are looking for a suitable candidate to support one of our clients in their Global Infrastructure team in Nuremberg. Your tasks are, but are not limited to, focusing on cloud networking and NSX services as well as implementing the expansion of virtual network offerings. With over 9,000 employees, our client is one of the world's largest providers in its sector and, the market leader in Germany and in the Top 5 worldwide. Demanding jobs await you in an innovative and international work environment. Do you have high self-motivation and commitment? Then apply today for our job offer!

Your responsibilities:

- Focus on the companies NSX environment and its transition to NSX-T
- Implement the expansion of the virtual network offerings
- Be responsible for the virtual to physical interface
- Be primary contact for NSX load balancing and firewalls
- Help support the move to a fully integrated hybrid cloud infrastructure
- Help support in planning and implementation of other projects / new designs
- Help managing and implementing changes (Change management)
- Manage and support installation of new versions and patches
- Close customer contact during operative work
- Help manage interaction with suppliers
- Documentation of all executed tasks in a ticket tool and CMDB
- Support team in daily cloud and infrastructure related tasks

What we are looking for:

- Administration of Cloud and private Cloud datacenter infrastructure
- Working with public cloud services including AWS and Google Cloud
- Good working knowledge of BGP and awareness of OSPF
- Knowledge and understanding of VMware enterprise products
- Sound understanding of network general knowledge beyond NSX (routing, firewalling, load balancing concepts)
- Team-player, tech-enthusiast
- Fluent in English, German Skills are a plus but not a must

Location: Nuremberg

Start Date: ASAP or upon agreement
