

Looking for a job?

Catch it with SimpleXX – The simple way!

Lead Finance Controller (f/m/d) R&D and IT

Start today as a Lead Finance Controller for a brighter future. We are looking for a suitable candidate to support one of our clients in Nuremberg. Your tasks are, but are not limited to, translating financial results into actionable measures to drive performance of Research & Development as well as the IT organisation. With over 9,000 employees, our client is one of the world's largest providers in its sector and the market leader in Germany and in the Top 5 worldwide. Demanding jobs await you in an innovative and international work environment. Do you have high self-motivation and commitment? Then apply today for our job offer!

Your responsibilities:

- Monthly forecasts plus interpretation of numbers
- Run transparent best in class and customer focused early warning system and develop dashboards (sales/KPIs) in order to help establish a pricing strategy and drive implementation and maintenance
- Provide financial advice regarding business deals and contracts etc.
- Translate financial results into actionable measures to drive performance of Research & Development as well as IT Organisation

What we are looking for:

- 7+ years of experience in the field of controlling
- Business degree or similar qualification with finance background
- People management skills
- Experience working in an international environment and confident in collaborating with international stakeholders
- Fluent in English (both written and spoken)

Location: Nuremberg

Start Date: ASAP or upon agreement
